September 21	Low Gross/Net
September 28	Fun Day, KP Shootout, Fall Luncheon & Meeting

# Game Definitions

## Salt & Pepper

Count odd holes on the front and even holes on the back and then subtract ½ of your handicap.

## Shamble

- This is a four-person format
- All players hit a drive
- Players choose the best drive and all play their own ball from the point of the best drive.
- 80% of handicaps are used.

## Cha Cha Cha

- On the first hole, you count the best net ball of the foursome
- On the second hole, you count the best TWO net balls of the foursome
- On the third hole, you count the best THREE net balls of the foursome
- Repeat on fourth hole (counting the best net ball of the foursome, and so on)

## 2 Person Best Ball (choose your partner)

- On each hole, the *net* best ball counts for the game.

## Hate ‘Em

Before you tee off, circle one hole on each 9 that you hate. At the end of the round subtract the 2 holes that you circled from your gross score and then subtract your full handicap.

## T.E.N. (Individual Game)

Only the holes beginning with the letters T, E, & N are added for your total game score then minus ½ of your handicap. Holes 2,3,8,9,10,11,12,13, & 18

## Scramble

There is one score recorded per hole per team. First, every player hits from the tee, then the best drive is chosen and each player hits her next shot one club length from the chosen ball. On the green, each player will put her ball from within 6 inches of the chosen ball. Each best ball is chosen until the ball is holed.

## 6/6/6

Every 6 holes, the game format changes. During our Member/Member tournament, the 3 games will be as follows:

Holes 1 – 6: 2 person net best ball

Holes 7-12: Alternate Shot (Each partner drives, the two partners choose their preferred drive, then alternates shots into the hole)

Holes 13 – 18: Scramble (Each partner drives, the two partners choose their preferred drive, then play a scramble into the hole)
